

Welcome to table 26

In 2003, my father and I opened our first cafe together in West End.

We always envisaged to open another café together but unfortunately my father passed away a few years ago and so Table 26 is named in honour of him . . . his birthday was on the 26th.

We have a table permanently reserved for my dad - table number 26. He loved customers and was always welcoming and friendly, and we'd like to continue on with his legacy and commitment to our customers.

"Eat, drink, love life", this was my father's philosophy, which we will endeavour to live up to.
