FOOD MENU

Where it all began...

My father and I opened our first cafe together in 2003. We always envisaged to open another, but unfortunately he passed away in 2009 so Table 26 is named in honour of him – his birthday was on the 26th.

We have a table permanently reserved for my father – table number 26.

He loved customers and was always welcoming and friendly, and we'd like to continue on with his legacy and commitment to our customers.
